Revised 11/16/18

**Great Hearts Gift Acceptance and Fundraising Policy
2018-19**

Great Hearts Academies is a 501c3 non-profit Charter School Management Organization and the schools in the Great Hearts network are 501c3 non-profit educational organizations. Successful and appropriate fundraising efforts are essential to the financial stability of the organization and the schools in its network.* The following Gift Acceptance and Fundraising Policy has been established by the Great Hearts Advancement Team to offer principles and guidance to ensure success in fundraising efforts that will advance the mission of Great Hearts Academies.

**Throughout out this document, 'Great Hearts Academies' or 'Great Hearts' stands for both the CMO and the schools in the network.*

Authority for Approval of Fundraising Initiatives and Activities

1. All new fundraising priorities, programs, and initiatives outside of annual campaign efforts are approved by the Great Hearts Academies Board of Directors.
2. All fundraising activities and tactics in pursuit of the approved fundraising priorities and initiatives are approved by the VP of Advancement for the Region.
3. A strategic development plan for all approved fundraising priorities, programs, and initiatives will be established each fiscal year by the Great Hearts Advancement department and approved by the VP of Advancement for the Region.
4. Fundraising efforts outside of those in the pre-approved annual campaign, major gifts, or capital campaign development plans must be approved by the VP of Advancement for the Region through the official project approval process before being implemented.
5. Fundraising efforts outside of those in the pre-approved annual campaign, major gifts, or capital campaign development plan will only be approved if they are:
 - a. Appropriate fit to the existing development plan.
 - b. Can be adequately staffed.
 - c. Demonstrate potential for profit of \$5,000 or more.
 - d. Meet urgent priorities or allow the organization to take advantage of unusual opportunities offered by donors that match well with the current fundraising plans and objectives for the organization.
6. All fundraising events must be approved by the VP of Advancement for the Region.
 - a. Events that are led or managed by the Advancement team or onsite development team must either directly raise funds, offer opportunities for cultivation, or provide opportunities for stewardship for preapproved fundraising priorities.
7. Great Hearts Academies will not run or publicly support fundraising efforts that raise funds or monetary support for any specific individual or outside organization.

Approved Fundraising Initiatives and Activities

1. For the 2018-19 school year, the following campaigns and activities have been approved as fundraising priorities:
 - a. Community Investment Campaign: Through this campaign, enrolled families are asked to make donations of \$1,500 per student to support the operational needs of their school and help cover the gap between what each school receives in public funding and the actual cost to provide a Great Hearts education.
 - b. Tax Credit drive: Through this drive, the entire Great Hearts community of families, friends, and staff are asked to contribute their \$200 or \$400 Arizona Public School Tax Credit to their school to support qualified extra-curricular and character-building activities.
 - c. Teacher Excellence Fund: Through this fundraising effort, specific donors with a history of Community Investment campaign giving are asked to make gifts of specific amounts to the Teacher Excellence Fund that will be used to provide teacher bonuses. (All gifts of \$9,999 or less will be split with 70% staying at the school where the donor is a member of the community and 30% being sent to the network-wide Teacher Excellence Fund. Unless otherwise designated by the donor for a 70%/30% split, gifts of \$10,000 or more will be sent entirely to the network-wide Teacher Excellence Fund unless otherwise approved by the VP of Advancement for the Region.)
 - d. Great Hearts Gala: An annual Gala is held to provide funding for network-wide professional development and the network-wide Teacher Excellence Fund. The entire Great Hearts community is invited to attend the event and the Major Gifts Team solicits sponsorships from corporate and foundation sources for the event.
 - e. Capital Campaign: Capital campaign efforts will launch or continue at the following school communities:
 - i. Scottsdale (Launch and active campaign)
 - ii. Veritas (Launch and active campaign)
 - iii. Archway South Mountain (Launch and active campaign)
 - iv. Maryvale (Close-out)
 - v. North Phoenix (Close-out)
 - vi. Trivium (Close-out)
 - f. Great Hearts Greater Good Fund: Through this fundraising effort, families that are re-enrolling at a Great Hearts academy receive a solicitation form in their re-enrollment packet to make a gift to the Great Hearts Greater Good fund to support the operational needs at the Title 1 schools in the Great Hearts network, where aggressive Community Investment campaigns are not executed.
 - g. Charter Management Organization: Gifts will be solicited by the Great Hearts central office advancement team to support needs such as network growth, Title 1 school funding, academic and professional development, etc.

Authority to Solicit and Receive Gifts

1. Before soliciting a gift or accepting a gift on behalf of Great Hearts Academies, solicitors must receive approval from the VP of Advancement for the Region.
2. All fundraising initiatives must be coordinated by the Advancement department for the Region to ensure all communications and efforts are complementary and never competitive.
3. All decisions to solicit and/or accept potentially controversial gifts will be made by the Development Committee of the Great Hearts Academies Board of Directors.
4. Great Hearts Academies will not run or publicly support fundraising efforts that raise funds or support for any specific individual or outside organization.
5. All communications and solicitations for fundraising efforts outside of those for the approved fundraising priorities, programs, and initiatives must be approved by the VP of Advancement for the Region.
6. Communications and solicitations for all fundraising efforts must compliment those in the approved development plan including but not limited to direct mail, academy e-newsletters, social media, Parent Service Organization emails, and school-affiliated websites.

Soliciting Gifts

1. Before a constituent receives an individualized solicitation, the Academy Giving Manager or Major Gifts team member must thoroughly review the constituent's record in Raiser's Edge and communicate with any other team member assigned to the constituent.
2. Except for the Great Hearts Greater Good fund or in select cases that are approved by the VP of Advancement for the Region, family donor prospects may not be asked for giving outside of their Community Investment campaign until they have made and started to complete their annual Community Investment campaign gift or pledge.
 - a. Families may only be solicited to participate in the Teacher Excellence Fund once they have donated \$1,500 per student to their academy's Community Investment campaign, unless otherwise approved by the Academy Giving Manager or VP of Advancement for the Region.

Parent Service Organization (PSO)

1. Parent service organizations report into their school-specific Headmaster and follow the PSO Handbook and Bylaws, established in July 2017.
2. While a PSO may raise revenue to support its specific programs, it is not the primary purpose of the PSO to raise funds for its school. Each school has a designated Academy Giving Manager responsible for fundraising on a broader scale including Community Investment, Tax Credit, and other programs that are the primary fundraising activities for the network.
3. The term 'passive revenue generation' is used instead of 'passive fundraising' to describe the revenue generating activities of the PSO to avoid confusion with the fundraising activities run by the Advancement team and onsite development staff.

Gift Acceptance

1. Great Hearts Academies solicits and accepts gifts that are consistent with its mission.
2. Great Hearts Academies accepts unrestricted gifts and gifts for specific programs and purposes, provided that such gifts are not inconsistent with its stated mission, purposes, and priorities, and are not excessively restrictive in purpose.
3. Donations will generally be accepted from individuals, partnerships, corporations, trusts, foundations, government agencies, or other such entities.
4. In the course of its regular fundraising activities, Great Hearts Academies will accept donations of money, real property, personal property, stock, and in-kind items or services.
 - a. Gifts of real or personal property must be approved by the VP of Advancement for the Region.
 - b. Only new and gently used items are accepted as tangible in-kind donations.
5. Great Hearts Academies does not accept gifts with an intended purpose or designation to be re-gifted to an individual or outside organization.
6. Acceptance of certain types of gifts must be reviewed prior to acceptance due to the special liabilities they may pose for Great Hearts Academies. Examples of gifts which will be subject to review include gifts of real estate, personal property, securities, or other gifts that may compromise the core values or public relationships of Great Hearts Academies.
7. When appropriate, Great Hearts Academies will seek the advice of legal counsel in matters relating to the acceptance of gifts.
8. All decisions to solicit and/or accept potentially controversial gifts will be made by the Development Committee of the Great Hearts Academies Board of Directors.
9. Gifts will not be accepted if the organization cannot honor the intent of the donor or if the gift does not fit within the gift acceptance and fundraising policies of Great Hearts Academies.
10. Great Hearts Academies does not pay fees to any person as consideration for directing a gift to the organization.
11. Great Hearts Academies will not run fundraising efforts nor accept gifts through crowdfunding fundraising platforms such as YouCaring, GoFundMe, and others such sites.
12. Multi-year pledges for major gifts are encouraged but with a fulfillment schedule of no more than 3-5 years.
 - a. Pledge fulfillment schedules for major gift pledges may be adjusted on a case-by-case basis. The adjustment must be approved by the VP of Advancement for the Region.

Donor Consideration and Recognition

1. Based on the 'Donor Bill of Rights', all donors have the right:
 - a. To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.
 - b. To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities.

- c. To have access to the organization's most recent financial statements.
 - d. To be assured their gifts will be used for the purposes for which they were given.
 - e. To receive appropriate acknowledgment and recognition.
 - f. To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.
 - g. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.
 - h. To be informed whether those seeking donations are volunteers, employees of the organization, or hired solicitors.
 - i. To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.
 - j. To feel free to ask questions when making a donation and to receive prompt, truthful, and forthright answers.
2. Donors who communicate to the development office that they wish to have their giving remain anonymous will not be included in published lists of donors or gifts.
 3. Only authorized staff and board members may view donor or prospect files.
 4. Great Hearts Academies does not sell or share its donor and mailing lists with other organizations.
 5. Donor intent is honored. If the donor's intent cannot be honored, the donor must be informed immediately and the gift may be refunded to the donor.
 6. Commemorative and sponsorship giving opportunities are determined by the Advancement office of the Region and are approved by the VP of Advancement for the region before being made public.
 - a. Language to recognize or commemorate gifts that will be public on a campus or location must be approved by the VP of Advancement for the Region.
 - b. A signed letter of intent and payment schedule must be received by the organization before the gift will be included in any recognition materials, publications, or permanent structural recognition.
 7. Donors that contribute a cumulative amount of \$5,000 or more to Great Hearts Academies are invited to participate in Great Hearts' Leadership Society.
 8. Refunds of donations are only permitted within one week of receipt of the donation. All other donations may not be refunded except in extreme cases where the donation refund is approved by the VP of Advancement for the Region.
 9. As public schools and non-profit entities, donations are not required of current families, prospective families, or staff.

Gift Processing and Acknowledgement

1. Members of the advancement team must follow gift processing and acknowledgement instructions and standards as established in the 'Development Policies and Procedures' document, 'Raiser's Edge Training Manual', and 'Configio Training Manual'.

GreatHearts[®]

2. All cash, pledged, and in-kind gifts made to Great Hearts Academies are processed and acknowledged within a week of receipt of the gift, with the exception of recurring monthly gifts that do not receive an acknowledgment letter or receipt for each gift unless requested by the donor.
 - a. Gifts received through securities or stock transfers are recorded and valued the date they are deposited in the bank account of the organization.
3. Acknowledgement letters are hand-signed by either the VP of Advancement, Academy Giving Manager, or Headmaster.
4. Acknowledgment letters must include the date the gift was received, the full name of the donor, the intent of the gift, a statement if any goods or services were received in exchange for the gift, and the 501c3 number of the organization receiving the gift.
 - a. If a good or service was received in exchange for the gift, Great Hearts Academies will inform the donor on their acknowledgement letter of the fair market value of the gift in order for the donor to know the tax-deductible portion of their contribution.
5. The onsite development team is responsible for keeping an electronic record of each gift receipt, along with the date of acknowledgement.
6. Financial gifts are recorded with a gift date that equals the date the funds were received by the organization. Pledges are recorded with a gift date that equals the date the letter of intent or pledge form was received by the onsite development staff.
7. All pledges are recorded with a schedule of fulfillment and are subject to pledge billing communications.
8. Cumulative giving receipts for the previous calendar year are distributed to donors by onsite development staff by January 31.
9. The Great Hearts Advancement team follows the Stewardship Policy, established in 2012.

Child Find Policy & Procedures

POLICY

Trivium Preparatory Academy will ensure that all children with disabilities within the boundaries of the public education agency, including children with disabilities who are homeless or wards of the State, and children with disabilities attending private schools or home schools, regardless of the severity of their disability, and who are in need of special education and related services are identified, located, and evaluated.

PROCEDURES

Individuals with Disabilities Education Act (IDEA '04) 34 CFR §300.111 Child Find

Unified School Districts, Elementary School Districts, and Union High School Districts will identify, locate, and evaluate all children with disabilities within **their geographic boundaries** who are in need of special education and related services.

This must include:

Children who are homeless;

Children who are highly mobile, including migrant children;

Children who are wards of the state; and,

Children who are attending private schools or home schools.

Charter Schools will identify, locate, and evaluate all children with disabilities within the population they serve who are in need of special education and related services.

Child find must also include children who are suspected of being children with a disability and are in need of special education, even though:

They are advancing from grade to grade or

They are highly mobile children, including those who are migrant children.

Trivium Preparatory Academy will maintain a record of children who are receiving special education and related services.

AAC R7-2-401.C Public Awareness

- 1) Trivium Preparatory Academy shall inform the general public and all parents within the its boundaries of responsibility of the availability of special education services for students aged 3 through 21 years and how to access those services. This includes information regarding early intervention services for children aged birth through 2 years.
- 2) School districts are responsible for public awareness in private schools located within their boundaries of responsibility.

AAC R7-2-401.D Child Identification and Referral

- 1) Trivium Preparatory Academy shall establish, implement, and make available (either in writing or electronically) to its school-based personnel and all parents within its boundaries of responsibility, written procedures for the identification and referral of all children with disabilities aged birth through 21, including children with disabilities attending private schools and home schools, regardless of the severity of their disability.
- 2) Trivium Preparatory Academy shall require appropriate school-based personnel to review the written procedures related to child identification and referral on an annual basis. Trivium Preparatory Academy shall maintain documentation of school-based personnel review.
- 3) Procedures for child identification and referral shall meet the requirements of the IDEA and its regulations, A.R.S. Title 15, Chapter 7, and the State Board of Education rules R7-2-401.

- 4) The public education agency is responsible for child identification activities in the school district in which the parents reside unless:
 - a) The student is enrolled in a charter school or another public education agency that is not a school district. In that event, the charter school or other public education agency is responsible for child identification activities;
 - b) The student is enrolled in a nonprofit private school. In that event, the school district within whose boundaries the private school is located is responsible for child identification activities.
- 5) Identification (screening for possible disabilities) shall be completed within 45 calendar days after:
 - a) Entry of each preschool or kindergarten student and any student enrolling without appropriate records of screening, evaluation, and progress in school; or
 - b) Notification to Trivium Preparatory Academy by parents of concerns regarding developmental or educational progress by their child (aged 3 years through 21 years).
- 6) Screening procedures shall include vision and hearing status and consideration of the following areas: cognitive or academic; communication; motor; social or behavioral; and adaptive development. Screening does not include detailed individualized comprehensive evaluation procedures.
- 7) For a student transferring in to the school, Trivium Preparatory Academy shall review enrollment data and educational performance in the prior school. If there is a history of special education for a student not currently eligible for special education, or of poor progress, the name of the student shall be submitted to the administrator for consideration of the need for a referral for a full and individual evaluation or other services.
- 8) If a concern about a student is identified through screening procedures or through a review of records, Trivium Preparatory Academy shall notify the parents of the student of the concern within 10 school days and inform them of Trivium Preparatory Academy's procedures to follow up on the student's needs.
- 9) Trivium Preparatory Academy shall maintain documentation of the identification procedures used, the dates of entry into school or the notification by parents made pursuant to subsection (D)(5), and the dates of screening. The results shall be maintained in the student's permanent records in a location designated by the administrator. In the case of a student not enrolled, the results shall be maintained in a location designated by the administrator.
- 10) If the identification process indicates a possible disability, the name of the student shall be submitted to the administrator for consideration of the need for a referral for a full and individual evaluation or other services. A parent or a student who has reached the age of majority may request an evaluation of the student. For parentally placed private school students, the school district within whose boundaries the nonprofit private school is located is responsible for such evaluation.
- 11) If, after consultation with the parent, Trivium Preparatory Academy determines that a full and individual evaluation is not warranted, Trivium Preparatory Academy shall provide prior written notice and procedural safeguards notice to the parent in a timely manner.

Evaluation Policy & Procedures

POLICY

A full and individual initial evaluation will be conducted by Trivium Preparatory Academy before the initial provision of special education and related services to a child with a disability in accordance with 34 CFR §§300.300–300.311 of the IDEA regulations. A reevaluation of each child with a disability will be conducted by Trivium Preparatory Academy in accordance with §§300.300–300.311 of the IDEA regulations.

PROCEDURES

§300.300 Parental Consent

- 1) When Trivium Preparatory Academy is proposing to conduct an initial evaluation to determine if a child qualifies as a child with a disability, and after reviewing existing data with the parents and providing prior written notice, will obtain informed consent from the parent of the child before collecting any additional data.
 - a) Parental consent for initial evaluation must not be construed as consent for initial provision of special education and related services.
 - b) Trivium Preparatory Academy must make reasonable efforts to obtain the informed consent from the parent for an initial evaluation.
- 2) For initial evaluations only, if the child is a ward of the state and is not residing with the child's parent, Trivium Preparatory Academy is not required to obtain consent from the parent if:
 - a) Despite reasonable efforts to do so, Trivium Preparatory Academy cannot discover the whereabouts of the parents of the child;
 - b) The rights of the parents of the child have been terminated by the court;
 - c) The rights of the parent to make educational decisions have been subrogated by a judge and consent for an initial evaluation has been given by an individual appointed by the judge to represent the child.
- 3) Trivium Preparatory Academy may, but is not required to, seek informed consent through due process procedures if the parent of a child who is enrolled or seeking to enroll in Trivium Preparatory Academy refuses consent for an initial evaluation.
- 4) Trivium Preparatory Academy must obtain informed consent from the parent of the child before the initial provision of special education and related services to the child and must make reasonable efforts to obtain that consent.
- 5) If a parent refuses consent for the initial provision of special education and related services, Trivium Preparatory Academy may not seek consent through due process hearing procedures. Trivium Preparatory Academy:
 - a) Will not be considered in violation for not providing FAPE;
 - b) Is not required to convene an IEP team meeting or develop an IEP for the child.
- 6) Trivium Preparatory Academy must obtain informed consent prior to conducting any reevaluation of a child with a disability.
 - a) If the parent refuses consent, Trivium Preparatory Academy may use due process hearing procedures to seek consent, but does not violate its obligation if it declines to pursue the evaluation or the reevaluation.
 - b) The informed parental consent for reevaluation need not be obtained if Trivium Preparatory Academy can demonstrate that:
 - i) it made reasonable efforts to obtain such consent and has documented those attempts;
 - ii) the child's parent has failed to respond.
- 7) Parental consent is not required before:
 - a) Reviewing existing data as part of an evaluation or reevaluation; or
 - b) Administering a test or other evaluation that is administered to all children unless consent is required of parents of all children prior to administration.
- 8) Trivium Preparatory Academy may not use a parent's refusal to consent to one service or activity under this section to deny the parent or child any other service, benefit, or activity of the Trivium Preparatory Academy, except as required by this part.
- 9) If a parent of a child who is home schooled or placed in a private school by the parents at their own expense does not provide consent for the initial evaluation or the reevaluation, or the parent fails to respond to a request to provide consent, Trivium Preparatory Academy may not utilize due process hearing procedures to seek consent.

§300.301 Initial Evaluations

- 1) Consistent with consent requirements of §300.300, either a parent of a child or Trivium Preparatory Academy may initiate a request for an initial evaluation to determine if a child is a child with a disability.
- 2) The initial evaluation must:
 - a) Be completed within 60 days of receiving parental consent for the evaluation, unless:
 - i) The parents and Trivium Preparatory Academy agree that it is in the best interest of the child to extend the timeline to complete the evaluation for an additional 30 days;
 - ii) The child enrolls in Trivium Preparatory Academy from another public education agency after the parent has provided consent and before the determination of eligibility by the other agency (In that event, the other agency will ensure prompt completion of the evaluation); or
 - iii) The parent of a child with a disability repeatedly fails or refuses to produce the child for the evaluation.
 - b) Consist of procedures to determine if the child is a child with a disability and to determine the educational needs of the child.

§300.303 Reevaluations

- 1) Trivium Preparatory Academy will conduct a reevaluation of a child with a disability if:
 - a) The agency determines that the educational or related service needs, including improved academic achievement and functional performance, of the child warrant a reevaluation, or
 - b) If the child's parents or teacher requests a reevaluation, except that
 - c) Trivium Preparatory Academy will not conduct a reevaluation more than once a year unless the parent and agency agree otherwise.
- 2) Trivium Preparatory Academy will conduct a reevaluation at least once every 3 years, unless the parent and the agency agree that a reevaluation is unnecessary.

§300.304 Evaluation Procedures

- 1) Trivium Preparatory Academy will provide prior written notice to the parents of a child who has or who is suspected of having a disability that describes the evaluation procedures that the agency proposes to conduct.
- 2) In conducting an evaluation or reevaluation, Trivium Preparatory Academy will:
 - a) Use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the child, including information provided by the parent in order to determine:
 - i) Whether the child is a child with a disability; and
 - ii) If the child is a child with a disability, information related to enabling the child to be involved in and progress in the general education curriculum (or for a preschool child, to participate in appropriate activities).
 - b) Not use any single measure or assessment as the sole criterion for determining whether a child is a child with a disability and for determining an appropriate educational program for the child; and
 - c) Use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors, in addition to physical or developmental factors.
- 3) Trivium Preparatory Academy will ensure that evaluation materials and strategies:
 - a) Are selected and administered so as not to be discriminatory on a racial or cultural basis;
 - b) Are administered in the child's native language or other mode of communication and in the form most likely to yield accurate information on what the child knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to do so;
 - c) Are used for the purposes for which the assessment(s) or measure(s) are valid and reliable;

- d) Are administered by trained and knowledgeable personnel;
 - e) Are administered in accordance with the instructions provided by the assessment publisher;
 - f) Are selected and administered so as to ensure that if administered to a child with impaired sensory, manual, or speaking skills, the assessment results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure rather than reflecting the child's impairments (unless those skills are the factors being measured).
 - g) Assess the child in all areas related to the suspected disability, including, if appropriate, health, vision, hearing, social and emotional status, general intelligence, academic performance, adaptive behavior, communicative status, and motor abilities; and
 - h) Are sufficiently comprehensive to identify all of the child's special education and related service(s) needs, whether or not those needs are commonly associated with the child's disability.
 - i) Provide relevant information that directly assists in determining the educational needs of the child.
- 4) Evaluations of children who transfer to or from another public education agency in the same school year are coordinated with the prior and subsequent schools, in order to expedite the completion of a full evaluation.

§300.305 Additional Evaluation Requirements

- 1) As part of an initial evaluation (if appropriate), and as part of any reevaluation, the IEP team and other qualified professionals, as appropriate, will:
 - a) Review existing evaluation data on the child including:
 - i) Evaluations and information provided by the parents;
 - ii) Current classroom-based, local, and statewide assessments, and classroom-based observations; and
 - iii) Observations by teachers and related services providers.
 - b) On the basis of that review and input from the child's parents, identify what additional data, if any, are needed to determine:
 - i) Whether the child is or continues to be a child with a disability and if so, the educational needs of the child;
 - ii) The present levels of academic achievement and related developmental needs of the child; and
 - iii) Whether the child needs special education and related services to enable the child to meet measurable annual IEP goals and to participate, as appropriate, in the general education curriculum.
 - c) The IEP team may conduct the review without a meeting.
- 2) If additional data are needed, Trivium Preparatory Academy will administer the assessments required to obtain the additional data.
- 3) If additional data are not needed to determine whether the child continues to be a child with a disability and to determine the child's educational needs, Trivium Preparatory Academy will notify the parents of:
 - a) The determination and the reasons for the determination; and
 - b) The right of the parents to request an assessment to determine whether the child continues to be a child with a disability and to determine the child's educational needs.
- 4) Trivium Preparatory Academy will evaluate a child before determining that the child is no longer a child with a disability except when the termination is due to graduation with a regular high school diploma or the child's reaching age 22.
- 5) When the child's eligibility terminates because of graduation or reaching age 22, Trivium Preparatory Academy will provide a summary of the child's academic achievement and functional performance that includes recommendations on how to assist the child in meeting the child's postsecondary goals.

§300.306 Determination of Eligibility

- 1) Upon completion of the evaluation process, Trivium Preparatory Academy will ensure that:
 - a) A group of qualified professionals and the parent of the child determine:

- i) If the child is a child with a disability under the Individuals with Disabilities Education Act and the Arizona State Statutes; and
 - ii) If so, the educational needs of the child.
- b) The parents are provided, at no cost, a copy of the evaluation report and eligibility determination.
- 2) A child will not be determined to be a child with a disability if the primary factor for the determination is:
- a) Lack of appropriate instruction in reading, including the essential components of reading instruction (as defined in section 1208(3) of the ESEA as such section was in effect on the day before the date of enactment of the Every Student Succeeds Act (December 9, 2015));
 - b) Lack of appropriate instruction in math; or
 - c) Limited English proficiency.
- 3) The eligibility determination, including education needs, will be based on all of the information sources used in the evaluation process, and if the child is deemed eligible and in need of special education and related services, an IEP will be developed in accordance with §§300.320 through 300.324.

§300.307 Additional Procedures for Identifying Children with Specific Learning Disabilities

Trivium Preparatory Academy will establish a criteria for determining whether a child has a specific learning disability through the identification of a severe discrepancy between intellectual ability and achievement in conformity with IDEA Regulations §§300.307–300.311.

§300.308 Additional Group Members

- 1) The determination of whether a child suspected of having a specific learning disability is a child with a disability must be made by the child’s parents and a team of qualified professionals that must include:

assessments.

- 2) The findings of this section are not primarily the result of:
 - a) A visual, hearing, or motor disability;
 - b) Mental retardation;
 - c) Emotional disturbance;
 - d) Cultural factors;
 - e) Environmental or economic disadvantage; or
 - f) Limited English proficiency.
- 3) The group must ensure that the underachievement is not due to a lack of appropriate instruction in reading or math and must consider:
 - a) Data that demonstrate that prior to, or as part of, the referral process, the child was provided appropriate instruction in regular education settings, delivered by qualified personnel; and
 - b) Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal assessment of student progress during instruction, which was provided to the child's parents.
- 4) Trivium Preparatory Academy must promptly request parent consent to evaluate if, prior to referral, the child has not made adequate progress after an appropriate period of time when provided instruction described in (3)(a) and (b).

§300.310 Observation

- 1) Trivium Preparatory Academy must ensure that the child is observed in his/her learning environment, including the regular classroom setting, to document the child's academic performance and behavior in the areas of difficulty.
- 2) In the case of a child of less than school age or who is out of school, a group member must observe the child in an environment appropriate for a child of that age.

§300.311 Specific Documentation for the Eligibility Determination

- 1) For a child suspected of having a specific learning disability, the eligibility determination must contain a statement of:
 - a) Whether the child has a specific learning disability;
 - b) The basis for making the determination, including an assurance the determination was made in accordance with the Individuals with Disabilities Education Act;
 - c) The relevant behavior, if any, noted during the observation and the relationship of that behavior to the child's academic functioning;
 - d) The educationally relevant medical findings, if any;
 - e) Whether the child does not achieve adequately for his/her age or to meet State-approved grade-level standards consistent with (1)(a); and does not make sufficient progress to meet age or State-approved grade-level standards consistent with (1)(b); or
 - f) The child exhibits a pattern of strengths and weaknesses in performance, achievement, or both, relative to age, State-approved grade-level standards or intellectual development consistent with (1)(c).
 - g) The determination of the group concerning the effects of a visual, hearing, or motor disability; mental retardation; emotional disturbance; cultural factors; environmental or economic disadvantage; or limited English proficiency of the child's achievement level.
- 2) If the child participated in a process that assessed the child's response to scientific, research-based intervention, the determination must include:
 - a) The instructional strategies used and the student-centered data collected;
 - b) Documentation that the child's parents were notified about the State's policies regarding the amount and nature of student performance that would be collected and the general education services that would be provided;

- c) Strategies for increasing the rate of learning; and
 - d) The parent's right to request an evaluation.
- 3) Each group member must certify in writing whether the report reflects the member's conclusion. If it does not, the group member must submit a separate statement presenting the member's conclusions.

AAC R7-2-401.E Evaluation/Reevaluation

- 1) Trivium Preparatory Academy shall establish, implement, and make available to school-based personnel and parents within its boundaries of responsibility written procedures for the initial full and individual evaluation of students suspected of having a disability, and for the reevaluation of students previously identified as being eligible for special education.

- 3) The initial evaluation of a child being considered for special education, or the reevaluation per a parental request of a student already receiving special education services, shall be conducted within 60 calendar days from Trivium Preparatory Academy's receipt of the parent's informed written consent and shall conclude with the date of the multidisciplinary evaluation team (MET) determination of eligibility.
- 4) If the parent requests the evaluation, Trivium Preparatory Academy must, within a reasonable amount of time not to exceed 15 school days from the date it receives a parent's written request for an evaluation, either begin the evaluation by reviewing existing data or provide prior written notice refusing to conduct the requested evaluation. The 60-day evaluation period shall commence upon Trivium Preparatory Academy's receipt of the parent's informed written consent.
- 5) The 60-day evaluation period may be extended for an additional 30 days, provided it is in the best interest of the child and the parent and Trivium Preparatory Academy agree in writing to such an extension. Neither the 60-day evaluation period nor any extension shall cause a reevaluation to exceed the timelines for a reevaluation within three years of the previous evaluation.
- 6) Trivium Preparatory Academy may accept current information about the student from another state, public agency, public education agency, or through an independent educational evaluation. In such instances, the multidisciplinary evaluation team shall be responsible for reviewing and approving or supplementing an evaluation to meet the requirements identified in subsections (E)(1) through (7).

 - b) Who would explain the benefits of and encourage the mediation process to the parents.

§300.507 Filing a Due Process Complaint

- 1) A parent or Trivium Preparatory Academy may file a request for a due process hearing relating to the

identification, evaluation, or educational placement of a child with a disability.

- 5) Within five days of receipt of notice, the hearing officer must determine whether the complaint meets the requirements and notify the parties, in writing, of that determination.
- 6) A party may amend its due process complaint only if:

 - b) May not include an attorney of Trivium Preparatory Academy unless the parent is accompanied by an attorney.
- 2) The purpose of the meeting is for the parent of the child to discuss the due process complaint and the factual basis of the complaint so Trivium Preparatory Academy has the opportunity to resolve the dispute.
- 3) The resolution meeting need not be held if:
 - a) The parent and Trivium Preparatory Academy agree in writing to waive the meeting; or
 - b) The parent and Trivium Preparatory Academy agree to use the mediation process.
- 4) The parent and Trivium Preparatory Academy determine the relevant IEP team members to attend the

- 6) The failure of the parent to participate in the resolution meeting that has not been mutually agreed to be waived will delay the timelines for the resolution process and due process hearing until the meeting is held.
- 7) If Trivium Preparatory Academy is unable to obtain the participation of the parent after reasonable efforts have been made and documented, Trivium Preparatory Academy may, at the end of the 30-day period, request that the hearing officer dismiss the parent's due process complaint.

- 3) If the complaint involves an application for initial services for a child who has turned 3 and is transitioning from Part C to Part B, Trivium Preparatory Academy is not required to provide the Part C services the child had been receiving. If the child is found eligible for special education and related services under Part B and the parent consents to the initial provision of services under §300.300(b), then Trivium Preparatory Academy must provide those services that are not in dispute.
- 4) If the hearing officer agrees with the child's parents that a change of placement is appropriate, that placement must be treated as an agreement between the State and parent for the purposes of (1)(c) of this section.

 - b) Has no personal or professional interest that conflicts with the interest of the child the surrogate parent represents; and
 - c) Has knowledge and skills that ensure adequate representation of the child.
 - 4) In the case of an unaccompanied homeless youth, appropriate staff of emergency shelters, transitional shelters, independent living programs, and street outreach programs may be appointed as temporary surrogate parents until a surrogate parent can be appointed that meets all the requirements of this section.

§300.520 Transfer of Parental Rights at Age of Majority

- 1) When a child with a disability reaches age 18, unless that child has been determined to be incompetent:

These procedures shall include dissemination of information to parents about Trivium Preparatory Academy's and the state's dispute resolution options.
- 2) In accordance with the requirements of IDEA, prior written notice shall be provided to the parents of a child within a reasonable time after Trivium Preparatory Academy proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, educational placement or the provision of FAPE to the child, but before the decision is implemented.

Discipline Policy & Procedures

POLICY

A child with a disability may be disciplined for a violation of the student code of conduct, including removal from his or her current placement to an appropriate interim alternative educational setting, another setting, suspension, or expulsion in accordance with IDEA Regulations §§300.530 through 300.536.

PROCEDURES

§300.530 Authority of School Personnel

- 1) On a case-by-case basis and in consideration of any unique circumstances, school personnel may remove a child with a disability who violates a student code of conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for not more than 10 consecutive school days (to the extent those alternatives are applied to children without disabilities), and

for additional removals of not more than 10 consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change of placement under §300.536.

- 2) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal, Trivium Preparatory Academy must provide services to the extent required to:
 - a) Enable the child to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting his/her IEP goals; and
 - b) Receive, as appropriate, a functional behavioral assessment, behavioral intervention services, and modifications that are designed to address the behavior violation so that it does not recur.
- 3) Trivium Preparatory Academy is only required to provide services during periods of removal to a child with a disability who has been removed from his or her current placement for 10 days or less in that school year, if it provides services to nondisabled children similarly removed.
- 4) After a child with a disability has been removed from his or her current placement for 10 school days and the current removal is for not more than 10 consecutive school days and not a change of placement, school personnel, in consultation with at least one of the child's teachers, determine the extent to which services are needed, so as to enable the child to continue to participate in the general education curriculum and to progress toward meeting the IEP goals.
- 5) If the removal is a change in placement, the child's IEP team determines the appropriate services.
- 6) Within 10 school days of any decision to change the placement of a child with a disability because of a violation of a code of student conduct, Trivium Preparatory Academy, the parent(s), and relevant members of the IEP team must review all relevant information in the student's file, the IEP, teacher observations, and any relevant information to determine:
 - a) If the conduct was caused by, or had a direct and substantial relationship to, the child's disability; or
 - b) If the conduct in question was the direct result of the public education agency's failure to implement the IEP.
- 7) The conduct must be determined to be a manifestation of the disability if either (6)(a) or (b) occurred, and if the IEP was not implemented, Trivium Preparatory Academy must take immediate steps to remedy that deficiency.
- 8) If Trivium Preparatory Academy, the parent(s), and relevant members of the IEP team determine that the conduct was a manifestation of the child's disability, the child must be returned to the placement from which the child was removed, unless the parent and Trivium Preparatory Academy agree to a change of placement. The IEP team must either:
 - a) Conduct a functional behavioral assessment, unless one has already been done, and implement a behavioral intervention plan; or
 - b) If a behavioral intervention plan has already been developed, review the plan and modify it, as necessary, to address the behavior.
- 9) School personnel may remove a student to an interim alternative educational setting for not more than 45 school days without regard to manifestation of disability if the child:
 - a) Carries a weapon to or possesses a weapon at school, on school premises, or to or at a school function under the jurisdiction of a state or public education agency;
 - b) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the jurisdiction of a state or public education agency; or
 - c) Has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function under the jurisdiction of a state or public education agency.
- 10) Trivium Preparatory Academy will notify parents and provide notice of procedural safeguards on the day

Trivium Preparatory Academy determines the student has violated the code of conduct and the violation constitutes a change of placement (i.e., interim alternative education setting).

AAC R7-2-401.P Suspension and Expulsion

- 1) Trivium Preparatory Academy shall establish, implement, and make available to personnel and parents written procedures for the suspension and expulsion of students with disabilities.

§300.618 Amendment of Records at Parent's Request

- 1) A parent who believes that information in the education records collected, maintained, or used by Trivium Preparatory Academy is inaccurate or misleading or violates the privacy or other rights of the child may request the agency to amend the information.

AAC R7-2-401.J(3) Confidentiality

§300.534 Protections for Children Not Determined Eligible for Special Education and Related Services

- 1) A student who has not been determined eligible and who engaged in a behavior that violated a code of student conduct may assert protections if Trivium Preparatory Academy had knowledge that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred. Trivium Preparatory Academy must be deemed to have such knowledge if:

- 4) If an evaluation is requested during the time in which a child is subjected to disciplinary measures, the evaluation must be conducted in an expedited manner.

 - ii) because the child's behavior is substantially similar to the behavior in previous incidents that resulted in a series of removals; and
 - iii) because of such additional factors as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.
- 2) Trivium Preparatory Academy will determine on a case-by-case basis whether a pattern of removals constitutes a change of placement, and such determinations are subject to review through due process and judicial proceedings.
