**COST:** \$80/semester **INSTRUCTOR:** Ms. Stefaniak **\*Max Enrollment of 30 students**

Students will have the opportunity to shadow/volunteer alongside medical professionals, listen to guest speakers, and engage in hands-on scenarios. This club will enhance college applications by providing students with an understanding of what it means to pursue a career in the medical field. This semester students will have the added opportunity to attend Midwestern Medical School's Health Sciences Career Day on March 3rd. This will be an exciting opportunity for students to learn about different medical career paths and participate in active simulations with current medical students.

Please keep in mind the time commitment required for this club. There will be weekly club meetings on Mondays, frequent shadowing opportunities during the week and weekends, and occasional Friday afternoon/Saturday events throughout the semester. Therefore, be mindful of any time constraints you may have with other extracurriculars. We want scholars to be able to benefit from the wonderful opportunities this club provides.

**Class Dates:** Mondays, January 27th - May 8th, 2020, excluding half days and holidays.

Interact is Rotary International's service club for young people. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting. Each year, Interact clubs complete several community service projects, under the Rotary slogan "service above self." Through these efforts, Interact members develop a network of friendships and learn the importance of:

- Developing leadership skills and personal integrity
- Benefiting the community through service projects
- Creating valuable friendships
- Advancing international understanding and goodwill

The Tanner Project Scholars Program is a college readiness, leadership development, and life-skills enrichment program dedicated to providing social, cultural and educational opportunities to high school youth, grades 9-12. Our vision is to increase the number of African American students who will attend college. It is also designed to graduate more students who enter the Science, Technology, Engineering, Art, and Mathematics (STEAM) disciplines. Our mission is to provide academic support to high school students and their parents, while promoting morals, values, integrity, character, academic achievement and excellence.

**Class Dates:** Tuesdays & Thursdays, January 27th - May 8th, 2020, excluding half days and holidays
