BLENDED CLASSES:

- **High school languages, unique classes and all of 11/12 blended – students will check in EVERY DAY and EVERY period.**
- This allows teachers to be flexible and tailor their week to the needs of the blended populations.
- Blended classes will not have remote students attend the full period.
- For example on Monday – remote students might check in quickly and Tuesday – they come in and watch a 20-minute lecture or demo.

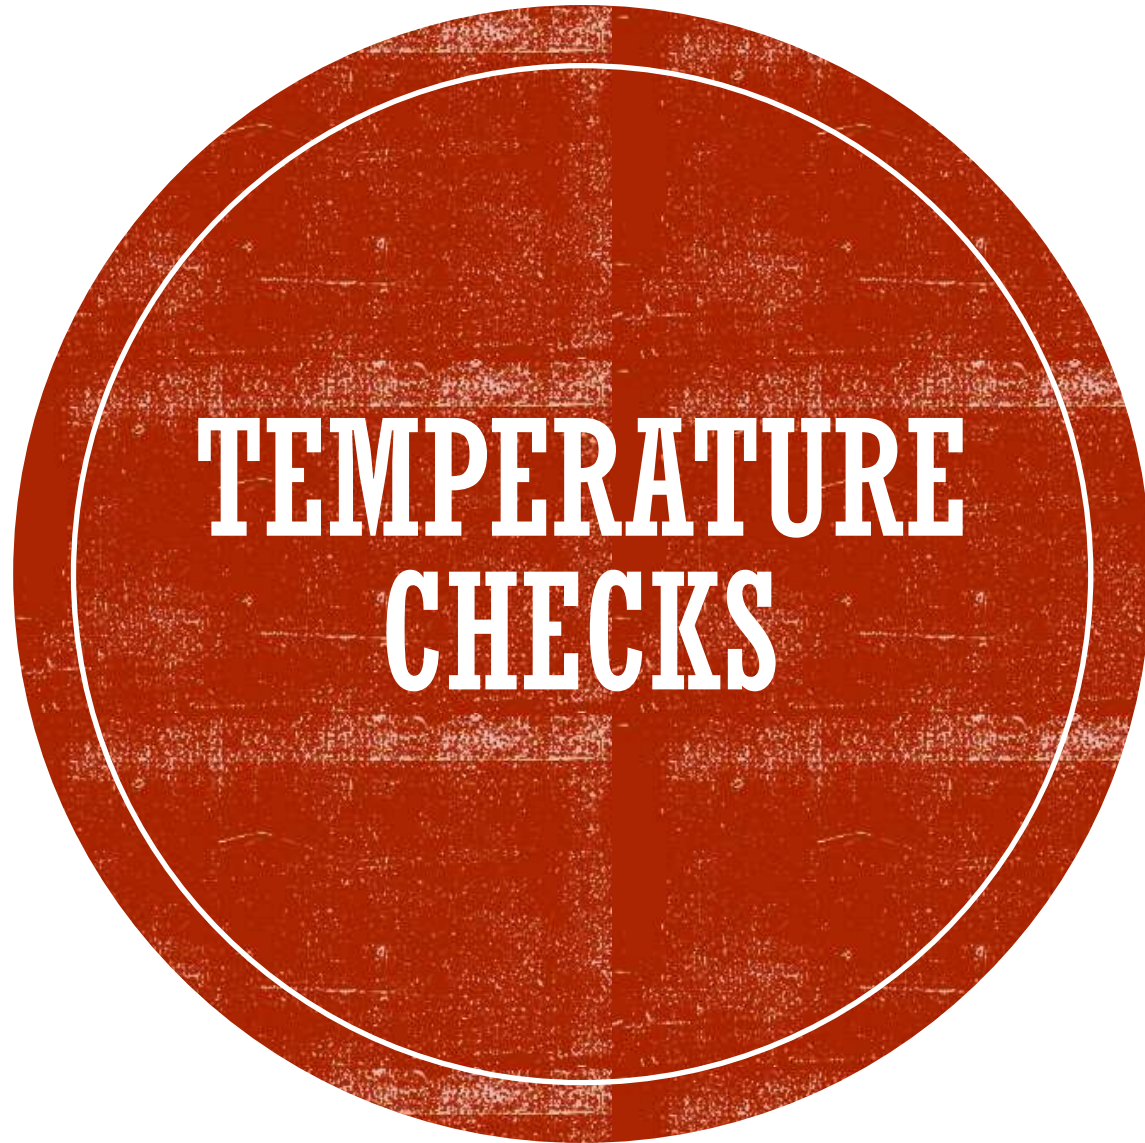

Classes will reconfigure after Quarter 1 – your child may have a teacher change – regardless if they are online or in person.
