

RE: TVP Spanish Language Acquisition and Community Service Project

Dear Spanish scholars and families:

It is with much pleasure that we would like to announce our **Spanish Language Acquisition and Community Service Project**. Once again, our *Spanish I-IV* scholars will have the opportunity to further enhance their Spanish language skills through a service-learning project in collaboration with *EduCarte*, an after school educational learning center that serves underprivileged youth in Puerto Peñasco, Sonora, México (Rocky Point).

How will Trivium Prep. Spanish scholars provide community service as they enhance their Spanish language skills?

EduCarte is in the process of inaugurating their bilingual library and are in need of book donations. This is how Trivium scholars will assist the center, as they practice the Spanish skills that they have acquired thus far:

(**Spanish I** scholars) - Will write pen-pal letters in Spanish and English to the children who currently participate in *EduCarte*. In writing these letters, scholars will apply Spanish grammatical concepts covered in class. The letters will be written in both languages, as the students in Mexico are in the process of learning English. These letters, along with the books that we will donate, will be presented to the children in R.P. the day their new library is inaugurated.

(**Spanish II-IV** scholars) - Will write, in Spanish and English, their favorite fables using previously learned Spanish grammatical concepts. This collection of bilingual fables will be curated and turned into a book. This book created by Trivium scholars will be presented to the children of *EduCarte* the day their new library is inaugurate.

To enhance the community service aspect of this project, *EduCarte* has enlisted our assistance to enrich their new library with as many English and Spanish books as possible. Trivium scholars, with the assistance of our language team, will run a book drive to collect as many books, in English and/or Spanish, new or used, to donate to *EduCarte*. **The book drive will take place from September 1st-27th**. We thank you in advance for your donations during this time.

This October, *EduCarte* will inaugurate their *K-6 Club Inglés* and bilingual library. **Our book of fables and pen-pal letters, both written by our students, along with all the donated books will be presented on behalf of Trivium on the day of the library inauguration.**

If you would like to assist in our Spanish Language Acquisition and Community Service Project, are interested in volunteering as a family, or if you have any questions, please feel free to reach out to Sra. Acherbo: macherbo@triviumprep.org

We thank you in advance for your support.
