

# Trivium Preparatory Academy

## Summer School 2023

May 31 - June 29

*“Education is not the filling of a pail,  
but the lighting of a fire.”*

*- Plutarch*

Keep the fire of learning alive this June with a TVP Summer Academy course! Our offerings range from enrichment courses to Great Hearts credit courses. Explore on the pages below, and register online by [clicking here](#).

All classes run Monday through Friday (except for Memorial Day). For questions relating to Summer Academy courses or enrollment, please contact [Mr. Denk](#), program coordinator.

-Martin Luther King Jr.*

## ENRICHMENT COURSES

### **STEM Camp**

**(June 5 - June 8)**

**\$200**

“Scholars will discover the wonders of STEM (Science, Technology, Engineering, and Math) as they partake in several science experiments and projects. Scholars will leave with exposure to physics and chemistry, learning about the engineering design process, and an appreciation for STEM!”

## CREDIT COURSES

### *Middle School Courses*

#### **Lit. Comp. I**

**(Credit for 6th Lit. Comp) \$200**

This course covers the basics of grammar and involves the thoughtful analysis and discussion of significant literary works. This class focuses on developing four skills – reading, writing, speaking and listening, as well as the study of composition: grammar, sentence diagramming, spelling, and vocabulary. Scholars taking this course will be taught the grammar and writing skills according to their grade level.

## **Lit. Comp II**

**(Credit for 7-8th Lit. Comp) \$200**

This course develops writing skills by practicing the fundamentals of clear and effective writing including unity, coherence and *copia*, or abundance, of vocabulary and syntax. The culmination of the writing program in this course will be learning to write in the “five-paragraph” format, paving the way for the Humane Letters course which uses the 5- paragraph essay often as a tool for systematic thinking. This course also includes the study of advanced compositional skills: grammar, sentence diagramming, spelling and vocabulary. Scholars taking this course will be taught the grammar and writing skills according to their grade level.

## **Latin I**

**(Credit for 6-8th Latin) \$200**

Latin I is primarily a grammar course in which students will receive substantial review of basic English as well as an introduction to Latin. The Latin fundamentals covered in this course are: the first three declensions and all four conjugations, rules of subject/verb and noun/adjective agreement, present, imperfect, and future tenses, corresponding noun function of each case, elementary sentence structure, and common constructions.

## **Pre-Algebra**

**(Credit for 6th Math) \$200**

In this course, scholars begin to address mathematical concepts by using numerical analysis. They master the operations of addition, subtraction, multiplication, and division using whole numbers, negative numbers, fractions, decimals and percentages. Scholars learn to use first order equations and inequalities to solve real world problems. This course also gives an introduction to ratios, geometry, coordinate plane, and working with area and volumes of shapes. By the end of this course, scholars should be prepared for 7th grade mathematics at Trivium Preparatory Academy, though this class is also open to current 5th graders (upcoming prep students) who wish to get a head start middle school math.

## **Algebra I**

**(Credit for 7-8th Math) \$200**

This course develops critical and algebraic thinking while wrestling with both fundamental and more abstract concepts. Scholars taking this course will be taught the mathematical skills according to their grade level.

## **Read Naturally**

**(Intervention for 6-8th Math) Free**

This is an optional course to help students become fluent readers and make solid gains in comprehension and vocabulary, for students currently reading below grade level. Teachers will be using a literacy-based program known as Read Naturally.

*Due to limited availability, we will be filling our available seats on a first come, first serve basis.*

## ***High School Courses***

### **BYU-Online**

**(Credit for HS Only) \$200**

High School scholars will have different options based on academic needs. All coursework for High School will be facilitated through BYU-Online. Our current available options include;

## FEES AND DEADLINES

Summer courses are designed for enrollment of 6 students or more. Though we expect classes to fill quickly, we reserve the right to cancel classes with insufficient enrollment and to combine or replace with other classes, if necessary. You will be notified at some point during the week of May 29th if the course you enrolled in will not proceed as planned.

The cost for summer courses depends on the meeting pattern and length of the course. See the schedule on the next page for more information. A book deposit will not be required for summer school textbooks, but families will be held financially responsible for any loss or damage to textbooks or other materials issued for Summer School. In some cases, extra materials may be required by the instructor. If your family's summer plans change, please note that we cannot give refunds after Wednesday, May 31st. Families with more than two students are eligible for reduced tuition – please contact Mr. Schutten for details.

Registrations & payments can be made online [here](#). The firm deadline for registering for summer school is Thursday, May 25th, at 3:00 PM. Contact Ms. Bradshaw at [jbradshaw@triviumprep.org](mailto:jbradshaw@triviumprep.org) with questions about payments or to make alternate payment arrangements. There are no refunds after the first day of summer school classes. Classes will not be pro-rated due to absence.

If you are attending from another Great Hearts school, you are responsible for reading the Trivium Prep Family Handbook, paying special attention to the “Uniform” and “Dress Code” sections.

## POLICIES AND PROCEDURES

**Attendance:** Due to the amount of material being covered in each class, students will be dropped without refund if they miss 2 days in a row or a total of 3 days without special permission from Mr. Schutten during the summer school session. Summer school courses cover what was taught during second semester in 1 month; consequently, it is essential that scholars be punctual and attend all days of the course(s). If a student will be missing for any reason, parents must contact Mr. Denk via email ([mdenk@triviumprep.org](mailto:mdenk@triviumprep.org)) as the office will be in summer hours and will not be checking the attendance line.

**Dress Code:** Students must wear their school uniforms to summer school. All other policies regarding personal appearance as outlined in the Trivium Prep [Family Handbook](#) apply during summer school. Please review the dress code policies. Exceptions are noted below:

- Students from other Great Hearts' academies (including those coming from Archway) are welcome to wear their current uniforms but will otherwise be held accountable to Trivium dress code standards.
- Students new to Great Hearts may opt to order their uniforms or may wear other clothing that fits with the uniform code (a polo shirt, for example, without the school's crest would be appropriate for summer classes).

**Food:** The hot lunch program will not be available during the summer. If needed, please be sure to send snacks/lunch with your child.

**Pick-up and Drop-Off:** Scholars may be dropped off at school as early as 8:15 a.m. and picked up no later than 10 minutes after their class ends. Parents should drop off and pick up scholars at the Trivium Prep drop-off/pick up door at the south side of the building. Front office pick-up and drop-off is not permitted.

**Behavior:** Scholars are expected to behave in a manner consistent with the behavioral expectations of Trivium Prep as outlined in the Family Handbook. Scholars removed from a class or activity for disciplinary reasons will jeopardize their continued enrollment in the program as well as their registration fee(s).

# COURSE SCHEDULE AND INFORMATION

Course	Grades	Dates	Schedule	Fee
Lit. Comp. I	6th	May 31-June 29	M-Th, 8:30am - 11:30am	\$200
