Roles & Expectations

The College Counseling Department at Great Hearts believes in identifying the role of the student, parent and counselor in the College Counseling Process. Each person in this process has a very specific role and expectations.

The responsibilities of the students are to:

- Take an active and leading role in the process
- Keep college counselor abreast of their individual college tracker
- Pay attention to announcements/e-mails/meeting requirements from counselors
- Ask teachers to write recommendations. This should be done in the spring of junior year and reconfirmed in August of senior year.
- Check-in with parents and reinforce partnership throughout the process
- Seniors are required to meet with their college counselor for individual meetings through out fall semester
- **Students must have their applications ready to submit at least two weeks before the college's official deadline: i.e. if you are applying ED and the deadline date is 11/1 then the application needs to be done 10/18.** **Please note that many applications may occur on January 1, when Great Hearts is on break. When this occurs, the student is responsible for having their application ready to send out two weeks before the beginning of Great Hearts vacation. It is our expectation that all applications will be completed before Winter Break.
