The Community Investment Campaign at Trivium Preparatory Academy is an annual fund which covers the gap between what we need to deliver the Great Hearts educational model to our students and what we receive from public funding. Gifts to the Community Investment campaign support virtually every aspect of school life including but not limited to teachers' salaries, music programs, language programs, art programs, the mortgage for the school and so much more. **We are pleased to thank the following donors who are generous supporters of our 2024-25 Community Investment Campaign as of May 2, 2025.**
